Banting Postdoctoral Fellow
Salmon Watersheds Laboratory
Earth2Ocean Research Group
Simon Fraser University

8888 University Drive
Burnaby, British Columbia V5A 1S6
p: 403-402-4955
e: kl_wilson@sfu.ca

EDUCATION

- 2018 **PhD, Ecology and Evolutionary Biology, University of Calgary**
**Winner of JB Hyne Research Innovation Award*
Thesis title: Consequences of spatial exploitation in complex adaptive social-ecological systems: managing for sustainable freshwater fisheries
Supervisor: Dr. John R. Post
- 2013 **MSc, Fisheries and Aquatic Sciences, University of Florida**
**Winner Outstanding Thesis of the Year, School of Forest Resources and Conservation*
Thesis title: Assessing fish communities in dense submersed aquatic vegetation habitats using underwater video cameras
Supervisors: Drs. Mike S. Allen & Michael D. Netherland
- 2009 **BSc (Cum Laude), Biology, San Diego State University**

PROFESSIONAL EXPERIENCE

- 2019-21 Banting Postdoctoral Fellow, Natural Sciences and Engineering Research Council (NSERC), Biological Sciences, Simon Fraser University
- 2018-19 Postdoctoral Fellow, Salmon Watersheds Laboratory, Simon Fraser University
- 2015-18 Vanier Canada Graduate Scholar, NSERC, Biological Sciences, University of Calgary
- 2016-18 Graduate Assistant in Leadership and Scholarship, Faculty of Graduate Studies, University of Calgary
- 2015-17 Killam Scholar, Biological Sciences, University of Calgary
- 2015-16 Course Instructor, Biological Sciences, University of Calgary
- 2014-15 Mitacs-Accelerate Scholar, Freshwater Fisheries Society of British Columbia
- 2014 Graduate Assistant, Biological Sciences, University of Calgary
- 2010-13 Graduate Assistant and Fisheries Scientist, Fisheries and Aquatic Sciences, University of Florida
- 2010 Fish Ecology Technician, Watershed Sciences, Utah State University
- 2009 Marine Mammal Intern, United States Navy Marine Mammal Program
- 2009 Arctic Climate Change Technician, Global Change Research Group, San Diego State University (SDSU)

PRESENTATIONS

Seminars & invited talks:

- 2018 Simon Fraser University, Ecology, Burnaby, BC ([online](#))
2018 University of Calgary, Ecology & Evolutionary Biology. Calgary, AB
2018 71st Canadian Conference for Fisheries Research, Edmonton, AB

Kyle Logan Wilson

- 2017 University of Washington, Quantitative Fisheries, Seattle, WA ([online](#))
- 2017 University of Calgary, Biological Sciences Graduate Student Research Symposium
- 2016 British Columbia Fisheries Management Technical Committee Meeting, Kelowna, BC
- 2015 Izaak Walton Killam Trustees Banquet, Calgary, AB
- 2014 University of Calgary, Medicine & Gerontology, Calgary, AB ([online](#))
- 2014 1st International Joint Aquatic Sciences Meeting, Portland, OR
- 2013 University of Florida, Environmental Law, Gainesville, FL

Contributed talks:

- 2019 149th American Fisheries Society. Reno, NV.
- 2018 Prairie University Biological Symposium. Calgary, AB
- 2017 8th World Recreational Fisheries Conference. Victoria, BC
- 2017 70th Canadian Conference for Fisheries Research. Montreal, QC
- 2016 7th World Fisheries Congress. Busan, South Korea
- 2016 69th Canadian Conference for Fisheries Research. St. John's, NL
- 2014 144th Meeting of the American Fisheries Society. Quebec City, QC
- 2014 67th Canadian Conference for Fisheries Research. Yellowknife, NT
- 2013 42nd Benthic Ecology Meeting. Savannah, GA
- 2013 Southern Division AFS Spring Meeting. Nashville, TN **Finalist for Best Student Paper* ([online](#))
- 2013 Biannual FWC-IFAS Invasive Plant Research Review. Citra, FL. ([online](#))
- 2013 16th UF Fisheries and Aquatic Sciences Graduate Student Symposium. Gainesville, FL
- 2013 Landscape Ecology Poster Session. Gainesville FL
- 2012 36th Florida Aquatic Plant Management Society Meeting. St. Augustine, FL
- 2012 31st MidSouth Aquatic Plant Management Society Meeting. Mobile, AL **Best Student Paper*
- 2012 23rd Florida Lake Management Society Conference. Gainesville, FL
- 2012 Florida Cooperative Fish and Wildlife Research Unit Coordinating Committee Meeting. Gainesville, FL
- 2012 15th UF Fisheries and Aquatic Sciences Graduate Student Symposium. Gainesville, FL
- 2012 American Fisheries Society – Florida Chapter Spring Meeting. Ocala, FL
- 2012 Southern Division AFS Spring Meeting. Biloxi, MS
- 2011 Florida Cooperative Fish and Wildlife Research Unit Coordinating Committee Meeting, Gainesville, FL
- 2009 Barrow Arctic Science Consortium, Barrow, AK

COMPETITIVE GRANTS, AWARDS & HONORS

Total awarded value: \$505,380

Grants & contracts:

- 2019 British Columbia Ministry of Forests, Lands, and Natural Resource Operations [\$12,000]
Project title: 'Co-managing the subsistence and recreational lake trout fisheries under climate change'
Principal Investigator: Kyle L. Wilson
- 2016 British Columbia Ministry of Forests, Lands, and Natural Resource Operations [\$44,000]
Project title: 'Lake trout landscape management tool'
Principal Investigator & Co-PI: Dr. John R. Post & Kyle L. Wilson
- 2014 Mitacs-Accelerate Graduate Research Internship Program [\$45,000]
Project Title: 'The numerical response of anglers to fishing quality in British Columbia's lake trout fisheries'
Partners: Freshwater Fisheries Society of British Columbia, and InStream Fisheries Research Incorporated
Principal Investigator & Co-PI: Dr. John R. Post & Kyle L. Wilson

Fellowships & scholarships:

- 2019 **Recipient,** Banting Postdoctoral Fellowship, presented by NSERC [\$140,000]
- 2015 **Recipient,** Vanier Canada Graduate Scholarship, presented by NSERC [\$150,000] – [Online](#)

Kyle Logan Wilson

- Recipient**, Izaak Walton Killam Memorial Scholarship, presented by UCalgary & Killam Trustees [\$66,000] – [Online](#)
- Recipient**, Izaak Walton Killam Research Scholarship, presented by UCalgary & Killam Trustees [\$6,000]
- 2014 **Recipient**, Dean’s Doctoral Scholarship, presented by UCalgary [\$15,000] - declined
- Recipient**, Eyes High International Doctoral Scholarship, presented by UCalgary [\$6,000] – declined
- Recipient**, Research Scholarship, presented by UCalgary Biological Sciences [\$3,000]
- 2013 **Recipient**, Roger Rottman Memorial Scholarship presented by the Florida Chapter of the American Fisheries Society (AFS) [\$500]
- 2012 **Honorable Mention**, National Science Foundation Graduate Research Fellowship
- Recipient**, William L. Maier Jr. Memorial Scholarship, presented by the Florida Chapter of the Aquatic Plant Management Society [\$1,500]
- 2004 **Recipient**, California Governor’s Scholarship Award [\$1,000]
- Awards, honors, & other:**
- 2019 **Recipient**, Honorarium, Parks Canada – Banff National Park [\$2,200]
- 2018 **Recipient**, JB Hyne Research Innovation Award, presented by UCalgary [\$500]
- 2017 **Recipient**, Clemens-Rigler Award, presented by the Canadian Aquatic Resources Section [\$150]
- 2016 **Recipient**, Jim & Josie Gray Award for Graduate Teaching Assistant of the Year, presented by UCalgary [\$750]
- Recipient**, International Travel Award, presented by UCalgary [\$1,000]
- Recipient**, Travel Award, presented by the 7th World Fisheries Congress [\$1,100]
- Recipient**, Honorarium, Department of Fisheries and Oceans Canada [\$500]
- Recipient**, Citation of Merit for Contribution to Graduate Education, presented by UCalgary Biological Sciences
- Recipient**, Clemens-Rigler Award, presented by the Canadian Aquatic Resources Section [\$600]
- 2014 **Recipient**, Graduate Performance Award, presented by UCalgary Biological Sciences [\$4,500]
- Recipient**, John E. Skinner Memorial Award, presented by the American Fisheries Society [\$800]
- Co-recipient**, Best Student Chapter (Florida), presented by the American Fisheries Society
- Recipient**, Association for the Sciences of Limnology and Oceanography Travel Grant [\$500]
- Recipient**, Research Lab Award, presented by UCalgary Biological Sciences [\$1,750]
- Recipient**, Outstanding Thesis of the Year, presented by the School of Forest Resources and Conservation, UFlorida [\$300]
- 2013 **Recipient**, Outstanding Graduate Student of the Year (M.Sc.), presented by the Fisheries and Aquatic Sciences Program, UFlorida
- Recipient**, Graduate Student Excellence in Outreach and Extension, presented by the School of Forest Resources and Conservation, UFlorida
- Recipient**, The Wayne Smith Student Leadership Award, presented by the School of Forest Resources and Conservation, UFlorida [\$330]
- Finalist**, Best Student Paper Award, Southern Division AFS Spring Meeting
- Recipient**, The University of Florida’s Graduate Student Council Travel Grant [\$250]
- 2012 **Recipient**, Outstanding Graduate Student Leader, presented by UFlorida Graduate Student Council
- Recipient**, The Council for Environmental Education’s Project WILD Education Stipend [\$50]
- Recipient**, MidSouth Aquatic Plant Management Society Best Student Presentation Award [\$100]
- Recipient**, MidSouth Aquatic Plant Management Society Travel Grant [\$450]
- Recipient**, Florida Lake Management Society Travel Award [\$200]
- 2009 **Honored**, Cum Laude Distinction, San Diego State University
- 2006 **Recipient** (5×), Dean’s List Semester’s Honor, College of Sciences, San Diego State University

TEACHING & LEARNING

Course development:

- 2019 Developed graduate course on Bayesian data analysis using Stan for Simon Fraser University Biological Sciences

Kyle Logan Wilson

2015 Co-developed graduate course using computer programming in the biological sciences at UCalgary alongside Stephen Hausch

Teaching & workshops:

2019 Taught and supervised graduate course on Bayesian data analysis using Stan for Simon Fraser University in Winter 2019

2016 Led a free 2-day university-wide workshop on learning programming and statistics in R, hosted by UCalgary's Taylor Family Digital Library ([online](#))

2016 Instructed graduate course Biology 607 'R Wizardry in the Biological Sciences' at UCalgary in Winter 2016 academic term to 20+ graduate students and post-doctoral scholars

2015 Co-instructed graduate course Biology 607 'R Wizardry in the Biological Sciences' at UCalgary in Winter 2015 academic term alongside Stephen Hausch

2014 Served as teaching assistant for UCalgary's upper-division undergraduate course ECOL 439 on population ecology

Supervision:

2012 Undergraduate Research Supervisor for UF undergraduate student Simone Nageon de Lestang

2012 Undergraduate Research Supervisor for UF undergraduate student Antonio Malouf

Guest lectures:

2017 University of Calgary (BISI 607, R Wizardry in the Biological Sciences)

2013 University of Calgary (ECOL 417, Aquatic Ecology)

2013 University of Florida (PCB 5307, Limnology)

2011 University of Florida (FNR 3410, Field Techniques)

2010 San Diego State University (BIOL 526, Terrestrial Arthropods)

OUTREACH & EXTENSION

Science communication & media:

2018 **SciComm training:** Organized Beakerhead science and media communication training workshop for graduate students funded through UCalgary's Faculty of Graduate Studies

2016 **Media:** Research highlighted by the American Fisheries Society ([online](#))

2015 **Media:** Interviewee in film production highlighting research and academic achievements in 2015 – ([interview](#) & [video](#))

2013 **Science blog:** Founding and contributing author to Florida AFS blog 'From Reefs to Rivers' to convey the latest research and findings regarding Florida's fisheries to the public - ([online](#))

Media: Master's research on invasive species highlighted in interviews with Robert Montgomery, professional fisherman, and press articles in #1 bass fishing magazine distributed internationally (B.A.S.S. Times September 2013 issue) and online fishing blogs - ([online](#))

*Select coverage includes:

- *Activist Angler* ([online](#))
- *American Fisheries Society* ([online](#))
- *BASS Times* (Sep. 2013 in print)
- *FishSens* (print and [online](#))
- *MSN US News* ([online](#))
- *Novus Light Technologies* ([online](#))
- *Orlando Sentinel* (front page print and [online](#))
- *Phys.org* ([online](#))
- *Science Daily* ([online](#))
- *Southeast Agricultural Network* ([online](#))
- *UF News* ([online](#))

GK-12 STEM education & other mentorship:

2019 **IDEAS symposium:** volunteer judge for SFU's IDEAS symposium

Kyle Logan Wilson

- 2018 **Science outreach:** created and delivered lesson about climate change and ecosystems to 7th grade class
- 2017 **Volunteer GK-12 STEM teacher:** Presented topics on marine and freshwater biology to grade 8 science at Westmount Middle School
- Science fair:** Served as judge for Westmount Middle School's Science Fair grade 5
- 2014 **'How To...' series:** Founding and contributing author of instruction manual for beginning a career in science and natural resources for the American Fisheries Society
- Undergraduate mentor:** Served as mentor for San Diego State University alumni program and undergraduate Jordan Buxton majoring in marine biology
- Career fair:** Exhibitor for conservation biology careers to Crescent Heights High School in *Calgary, AB*
- 2013 **21st Century Community Learning Centers – Advisory board:** Served on advisory board with 21st CCLC (at-risk youth STEM-education) to communicate with stakeholders on education objectives met and future initiatives - ([online](#))
- Career presentation:** Presented marine science careers to Alachua County 4-H students interested in natural resource management
- Outreach volunteer:** Teach and guide families and disabled children on angling techniques, fish and Florida's lakes for Florida Lakewatch Fishing for Success
- 2012 **Expert reviewer:** Reviewed educational/scientific merit for 'Gone Fishing!' activity for the non-profit group The Council for Environmental Education's Project WILD K-12 conservation-educational program
- Day at the Museum:** Led planning for public event partnering fisheries, wildlife, and forestry graduate students and the Florida Museum of Natural History to present research in Florida natural resources to 1,355 community members
- Volunteer GK-12 STEM teacher:** Led partnership between SURF (graduate organization) and 21st CCLC to teach 100+ youth at-risk students from four middle schools about aquatic ecology, fish diversity and population dynamics to increase cognizance in STEM disciplines - ([online](#))
- Volunteer GK-12 STEM teacher:** Volunteered to host and teach 60+ Alachua County students on a visit to FAS freshwater ponds and give lessons on freshwater ecology and dissolved oxygen issues in Florida lakes
- Volunteer GK-12 STEM teacher:** Taught hands-on fish ecology demonstrations providing applied lesson in non-linear mathematics to Lincoln middle school science students
- Career presentation:** Presented science careers and graduate research experience to UF's Society of Women Engineers and Society of Hispanic Engineers interested in research
- 2011 **Science mentor in STEM:** Mentored four at-risk, minority students at Lincoln middle school in science fair projects on Floridian aquifers and invited/led seven graduate science mentors to program
- 2010 **Career presentation:** Presented marine science and conservation careers to students at Chesterton Elementary School
- Conservation & policy engagement:**
- 2019 **Building capacity for sustainable lake trout management:** working with Parks Canada, BC FLNRO, UCalgary, UToronto, Ontario Ministry of Natural Resources, and Alberta Environment & Parks to improve lake trout management in Banff National Park
- 2018 **BC wild salmon strategy:** coauthored letter to Wild Salmon Advisory Council on scientific advice and insight for conservation strategy
- Lake trout management:** Partnering with BC FLNRO and ENVYUK to develop new management options for managing BC and Yukon lake trout fishery
- 2017 **Rainbow trout management:** Workshop with FFSBC and BC FLNRO to discuss management and stocking practices for BC rainbow trout fishery
- 2017 **Invasive black bass control:** Meeting with BC FLNRO to discuss management options for controlling invasive black bass in British Columbia
- 2016 **Lake trout management:** Workshop and presentation given to BC FLNRO to discuss evaluating and managing lake trout fishery in BC and Yukon
- 2013 **UF Levin College of Law:** Presentation entitled 'Fisheries & Sustainability' given to Levin College of Law's environmental program
- 2012 **Oyster Recovery Task Force:** Volunteer member of the Fisheries group and Environmental group working under UF/IFAS and Dr. Karl Havens to evaluate mechanisms for 2012 Apalachicola oyster fishery collapse

Quantitative ecology & statistics:

- 2019 **Workshop instructor:** Led series of workshops on Bayesian modelling for EarthToOcean research group
- 2017 **R Fridays:** Developed and co-organized biweekly open-house BISI meetings to discuss topics in the R statistical language
- 2016 **Workshop instructor:** Led free workshop on JAGS software for Bayesian modelling applications for UCalgary ecology researchers
- Workshop instructor:** Led free two-day university-wide workshop on learning programming and statistics in R, hosted by UCalgary's Taylor Family Digital Library ([online](#))

Other:

- 2013 **Discussion group coordinator:** Created and coordinated discussion with UCalgary's EEB graduate students on population ecology and eco-evolutionary dynamics
- 2012 **'Food For Thought' discussion group coordinator:** Directed and planned monthly discussion groups between UF faculty and fisheries graduate students regarding challenges facing fisheries and ecological research
- 2009 **Field volunteer:** field survey and public presentation for biodiversity in Mission Trails Park coordinated with San Diego's Natural History Museum and BioBlitz
- 2008 **Education intern:** developed educational curriculum on conservation and animal science and led students (grades K-8) on trips for the San Diego Zoo's Wild Animal Park

PROFESSIONAL SERVICE

Editorial responsibilities: further details on [Publons](#)

Guest editor:

Special issue in *Fisheries Research* for 8th World Recreational Fisheries Conference

Journal referee:

Proceedings of the Royal Society B, Journal of Applied Ecology, Fish and Fisheries, Ecology & Society, Ecological Modelling, Canadian Journal of Fisheries and Aquatic Sciences, Reviews in Fisheries Science and Aquaculture, Fisheries Research, Aquatic Conservation: Marine and Freshwater Ecosystems, Journal of Fish Biology, Transactions of the American Fisheries Society, North American Journal of Fisheries Management, Marine and Coastal Fisheries, American Fisheries Society Books, Annales Zoologici Fennici, Environmental Monitoring and Assessment, Fisheries Management and Ecology, Journal of Environmental Planning, Lakes and Reservoirs: Research and Management, Neotropical Ichthyology, PeerJ, Southeastern Naturalist

Society membership:

American Fisheries Society, Association for the Sciences of Limnology and Oceanography (2014), Canadian Committee For Fisheries Research, Florida Lake Management Society (2011-2013), Florida Aquatic Plant Management Society (2011-2013)

Science & academic service:

- 2016-18 Graduate Leader's Circle GANT serving UCalgary's scholarship community
- 2016 Co-host of Killam awards banquet alongside Dean of Faculty of Graduate Studies Dr. Lisa Young
- 2013-15 Student Representative for the Canadian Aquatic Resources Section of the American Fisheries Society – Educational Division Unit
- 2015 Host for UCalgary EEB seminar speaker, UF professor Dr. Robert Fletcher; UCalgary professor Dr. Paul Galpern
- 2014-15 Conference abstract reviewer for 'Best Student Presentation' for the American Fisheries Society
- 2013 Past-President for Students United in Research of Fisheries (SURF)
- 2012 President of SURF
- Host for FAS seminar speakers: FFWCC biologist Wes Porak; FIU professor Dr. Jennifer Rehage; UF professor Dr. Mark Brenner
- Graduate Student Council Representative for UF's FAS program

Kyle Logan Wilson

2011 Fundraising Chairman for SURF

Service & planning committees served on:

- 2016-18 UCalgary's Rising Leaders Forum planning committee
- 2014 American Fisheries Society Annual Meeting Student Social Networking Event
- 2013 UCalgary's Ecology and Evolutionary Biology Winter Social
- 2012 SFRC New Student Orientation
 - Award Committee for Outstanding FAS Faculty
 - Planning Committee for FAS Graduate Student Symposium
 - Planning Committee for SFRC Spring Graduate Social

Conference & symposium service:

- 2017 Abstract reviewer and conference volunteer for 8th World Recreational Fisheries Conference
- 2014 Conference volunteer for Joint Aquatic Sciences Meeting
- 2013 Food service committee member for 16th annual UF's FAS Graduate Symposium
 - Conference volunteer for Southern Division AFS Spring Meeting
- 2012 Conference volunteer for 23rd annual Florida Lake Management Society Conference
 - Keynote and food committee chair for 15th annual UF's FAS Graduate Symposium
 - Conference volunteer for Southern Division AFS Spring Meeting
- 2011 Symposium volunteer for 14th annual UF's FAS Graduate Symposium

Professional development & workshops

- 2018 Invitee to COMPASS Graduate Fellows science communication workshop led by Nancy Barron
- 2018 Organizer and participant in Beakerhead science communication workshop
